StageTime Information

StageTime is the name of the Results program RallyWA use for the 2019 season.

Just Imagine Software created StageTime, updates StageTime, and supports RallyWA when using it.

RallyWA is licensed to use StageTime in 2019.

Notations:

DNS Did Not Start

Usually no times in all SS columns for a competitor

DNF Did Not Finish

Usually no times in some SS columns for a competitor

*** Missed stages and Allocated/Derived times** (often these terms are used interchangeably)

Missed a stage and at fault? Then usually you will be given a time that is slowest time in a competition (eg WARC/Clubman) plus 30 seconds. In this calculation, any times of any ineligible/invitational competitors are ignored. NRC SSR 8(g)

If you missed a stage (or failed to complete a stage) and were not at fault? Then you will usually be **allocated** a time by the stewards, a time the stewards consider to be the fairest. Often a time comparable to the fastest on stage compared to other stages; sometimes similar to other competitors when compared to other stages. See NRC 7.10 (c), NRC 7.9 (b) (i) & (iv)

If you have any queries, please email results@rallywa.com.

If any information in this results pack is incorrect, please email results@rallywa.com as soon as possible.

Competitors are reminded that they should check the Entry List once it has been published on www.rallywa.com and inform the organisers of any errors as soon as possible.

Please note: For any Ineligible (or Invitational) competitors appearing in the results, no series points are awarded. See www.rallywa.com/points for further information. Or email points@rallywa.com.
