StageTime Information

StageTime is the name of the Results program RallyWA use for the 2020 season.

Just Imagine Software created StageTime, updates StageTime, and supports RallyWA when using it.

RallyWA is licensed to use StageTime in 2020.

Notations:

DNS Did Not Start

Usually no times in all SS columns for a competitor

DNF Did Not Finish

Usually no times in some SS columns for a competitor

*** Missed stages and Allocated/Derived times** (often these terms are used interchangeably)

Missed a stage and at fault? Then usually you will be given a time that is slowest time in a competition (eg WARC/Clubman) plus 30 seconds. In this calculation, any times of any ineligible/invitational competitors are ignored. NRC SSR 8(g)

If you missed a stage (or failed to complete a stage) and were not at fault? Then you will usually be **allocated** a time by the stewards, a time the stewards consider to be the fairest. Often a time comparable to the fastest on stage compared to other stages; sometimes similar to other competitors when compared to other stages. See NRC 7.10 (c), NRC 7.9 (b) (i) & (iv)

If you have any queries, please email results@rallywa.com.

If any information in this results pack is incorrect, please email results@rallywa.com as soon as possible.

Competitors are reminded that they should check the Entry List once it has been published on www.rallywa.com and inform the organisers of any errors as soon as possible.

Please note: For any Ineligible (or Invitational) competitors appearing in the results, no series points are awarded. See www.rallywa.com/points for further information. Or email points@rallywa.com.

Interesting event results-wise.

- Due to CoViD-19, time cards were not handed to officials, and were only filled in by competitors.
 - Officials were supposed to be shown time card to confirm correct entries
- Time cards were used (initially) to enter elapsed times.
- All time cards were checked with control folders once delivered by Sweeper.
- Approximately 20 times needed to be changed and/or penalties to be applied, after this checking process.
- One stage reported that they were unable to get tenths of a second for their recordings.
- Down a Results Team member, the team was rather flat out all day (even though we had assistance from various other officials during the day), and results for presentations were a little delayed.
- Post-Event, the following errors were picked up and changed:
 - **Car 4: Retirement** reason changed from "Mechanical" to "DNS"
 - **Car 19: Co-driver** - changed before event - 1024208 Scott BECKWITH - Not Rookie
 - **Car 20: Retirement** reason changed from "Mechanical" to "DNS"

- **Car 22/24:** Penalty was incorrectly given to 22 (they had DNFed) – “22” was incorrectly written on car 24’s time card
- **Car 25:** Allocated time updated to be +30 slower than all WARC competitors (*this MAY have been mistakenly entered due to Start Order – ie ordinarily there is a clear delineation between WARC and Clubman*)
- **Car 26 & 27:** In WA 2WD but not in WARC – corrected
- **Car 32:** Incorrectly given a tenth of a second in SS2 (one of the stages where no tenths were being recorded) – in our defence, the “0” looked like a “3”!!!
- **Stage Names:** Were as per the supp regs initially – changed to conform with Schedule released on 6 Jul 2020 - SS5 and SS6 swapped and SS7 and SS8 swapped
- **Noted:** Cars were in seeded order, besides the top 5 who were balloted I believe

- 8.1.11 It is recommended that the Crew remain outside the car during refuelling; however, should they remain inside, the safety belts must be unfastened and door open.

- 8.1.14 In the Event of a breakdown, the car concerned may be pushed out of the refuel zone by the crew members, officials and team members without incurring any penalty. An external battery may be used immediately before the exit of the refuel zone away from any refuelling activities.
- 8.1.15 Any breaches of the refuel Regulations, including refuelling outside of designated Refuel Zones; Supplementary Refuel Zones or pumps at Service Stations, will be reported to the Stewards of the Meeting for consideration of exclusion or other penalty.

Bakers Hill Sprint Postponed

March 20, 2020 | [No Comments](#)

The Event Organisers of the TruckWholesale WA – Bakers Hill Sprint are disappointed to announce that the event will be postponed until the current corona virus situation changes and the risks are reduced sufficiently to allow public events to be run safely and responsibly again.

We are gutted that we are no longer in a position for the event to go ahead. However, if we cannot guarantee everybody's safety then we shouldn't be running the event. We have not only put in a lot of work to get a new concept

up and running but also to ensure our officials and competitors would stay safe from the virus

But in the last 24 hours the state of the virus in WA has changed and the advice we have been given is to not run the event. We do not wish to take the risk of exposing anyone knowing the event is similar to others that have been postponed/cancelled.

Both Motorsport Australia and the Shire of Northam have given permission for the event to proceed.

Upcoming Events

1. **Make Smoking History Forest Rally**
September 12 @ 8:00 am - September 13 @ 5:00 pm
2. **Karri Rally**
October 3 @ 8:00 am - 5:00 pm
3. **Safari Rally**
November 7 @ 8:00 am - 5:00 pm

We wish to thank Tolley Challis for suggesting the event and providing the venue and for the many hours he has put into making the roads suitable to run a rally on. We would also like to thank the volunteers who have put 100's of hours work into the event. In particular our team of new Officials led by Trainee Clerk of the Course Mike Evans. Thanks also to TruckWholesale WA , not only for their support as naming rights sponsor but for also providing a large number of concrete barriers to RallyWA. Mike Kerridge also deserves a pat on the back for his efforts with track prep and also facilitating the transport of the blocks up to the Winvale Farm Complex. We have had great support from a number of new officials and plenty of our regular officials, many who had swapped roles to learn a new task.

To everyone who entered the event, we are deeply sorry we are unable to finish of what we started but please keep your cars ready for when we can go rallying again.

The TruckWholesale WA – Bakers Hill Sprint will be put into moth balls and it will be an easy event to get up and running when the virus restrictions are eased, so hopefully we can run it later in the year.

UPDATE: 2020 RallyWA Calendar

May 19, 2020 | [No Comments](#)

An update on the 2020 Motorsport Australia RallyWA Calendar

Today the WA Government announced there are no COVID-19 cases in hospital and there are only 3 cases in WA. In addition as of yesterday the restrictions on “non work gatherings” are lifted to 20 people with indications that a further lifting will occur in mid June.

At the moment it is not practical to run any event and maintain a 20 person limit however with further easing in June we are hopeful we will get back to

running events again. With that in mind we are progressing with planning our events.

We are finding Local Governments are cautious about giving approval but we are confident if the cases are very low or better still on Zero the limitations will be lifted.

Upcoming Events

1. **Make Smoking History Forest Rally**
September 12 @ 8:00 am - September 13 @ 5:00 pm
2. **Karri Rally**
October 3 @ 8:00 am - 5:00 pm
3. **Safari Rally**
November 7 @ 8:00 am - 5:00 pm

reverse, to a total of 58.2 competitive kilometres. Rally Sprint regulations state that each stage is no longer than 8 kilometres in length.

Held at Winvale Park Complex, a 1,000-acre property that also grows canola, Bakers Hill is about 70 kilometres east of Perth in the Shire of Northam.

The property was developed to host rally cars in 1991 by the Challis family and used in the mid-90s for testing by World Rally Championship teams including legends drivers Tommi Makinen, Carlos Sainz, Petter Solberg, the late Colin McRae and his Perth-based brother Alister McRae.

The sixteen-year-old son of Alister, Max McRae, is making his gravel rally debut sitting beside 2016 and 2017 Australian Rally Championship co-driver Bill Hayes who'll be calling pace notes in their 2WD Ford Fiesta ST150.

"I'm really excited and can't wait for the rally," said McRae who just got his Drivers Learner's Permit about three weeks ago.

"But what I'm looking to gain is seat-time in the car and experience.

"There'll always be pressure carrying the McRae name but at the moment I'm just focussed on working as hard as I can to learn as much as I can."

McRae, a first-year apprentice at a specialist service centre for European cars, said that his goal this year is to compete and finish all WA State Championship rallies.

Learning etiquette from the get-go, young McRae thanked sponsors Dirtfish, Truck Wholesale WA, Specialist Helicopters and Driver Risk Management.

Competitors to watch include reigning champions John O'Dowd and Toni Feaver in their powerful WRC2 spec Truck Wholesale WA Skoda Fabia R5; Ben Searcy and James Marquet in their Swift Motorsport Mitsubishi Evo 9; Stephen Oxley with co-driver Steph Esterbauer in their CASA Security Subaru WRX STI; and reigning 2WD champions Razvan and Iona Vlad in their MAXYRally.com.au Ford Fiesta.

Carl Rattenbury is moving up from Clubman Cup to the 2WD Championship and this will be his first event using pace notes.

O'Dowd is clearly champing at the bit and raring to get behind the wheel.

"I'm very happy we have a championship, hats off to everyone for their efforts to get it up and running," O'Dowd said.

"We did a recce yesterday and the stages look good. We're happy with the car which we tested last weekend, and we're using a new tyre this year that's the control tyre for the national championship – and before you ask, I have no idea if the ARC will run this year or not. I'm hoping it will and that we can compete in it."

Tolley Challis, owner of Winvale Park Complex said that developing the rally stages has been a labour of love that his late father started.

"The downtime during Covid-19 has allowed us to make a few new roads – we've added about 10 kilometres of new stages that have everything to challenge drivers from tight and technical sections or long fast straights," Challis said.

Supervising Clerk of Course Wendy Walker said it was great to see rookies enter the first rally of the year as well as new officials.

"Bakers Hill is a training ground for new officials including a new clerk of course, stage commanders and officials, as well as other officials who are stepping up into more responsible roles."

Due to social distancing rules, organisers are not encouraging spectators. Competitors in the WA Truck Wholesale will be awarded half the usual championship points due to the shorter competition distance.
