Events not Running Full Distance

G11 Events not Running Full Distance

Should one of the rallies counting towards any of the Championships or series not be able to run in its entirety for any reason, the points shall be awarded on the basis of the established classification: full points if more than 50% of the scheduled length of special stages has been run, half points being awarded if between 25% and 50% of the length of special stages has been run. No points will be awarded if less than 25% of the scheduled length of special stages has actually been run. In the case of events with heats the above requirements will apply to the length of special stages in each Heat.
